

Cookie Management Policy

Last updated: June 1, 2025

This policy informs you about the use of cookies by VISACREDIT TECH Group when you visit our website www.visacredit.info.

1. What is a cookie?

A cookie is a small text file, often encrypted, stored on your device (computer, smartphone, tablet) through your browser when you visit a website. It stores information about your browsing, such as preferences, to enhance your user experience.

2. Why do we use cookies?

We use cookies to:

- Ensure the technical functioning of the website
- Measure site traffic and performance
- Improve our content and services

3. What types of cookies are used?

Type of Cookies	Purpose	Retention Period	Consent Required
Strictly necessary cookies	Technical operation of the website (session, security, language preferences, etc.)	Session or up to 1 year	No
Performance / analytics cookies	Statistics on traffic and usage (e.g., Google Analytics)	Up to 13 month	Yes

4. Third-party cookies

Some cookies may be set by third parties (e.g., YouTube, Facebook, Google Analytics). Please refer to their respective privacy policies for more information.

5. Consent and cookie management

When you first visit our website, a cookie banner allows you to:

- Accept all cookies
- Refuse all non-essential cookies
- Customize your preferences

6. How to manage cookies via your browser?

You can also manage your preferences through your browser settings.

7. Your rights

In accordance with the General Data Protection Regulation (GDPR), you have the following rights:

- The right to access your data
- The right to rectify or delete your data
- The right to object to or limit processing
- The right to withdraw your consent at any time

To exercise your rights or for any questions, contact us at contact@visacredit.info
